THE COURT: Okay. As I mentioned when we first  
began, the parties are consenting to my jurisdiction for all  
purposes. I understand that the settlement agreement will  
provide that I retain jurisdiction over this case. Once the

1 case has been reassigned to me I will promptly dismiss both  
2 cases with prejudice but with leave to reopen within 30 days.  
3 If there's a need for me to get involved you should send a  
4 letter to me and I will get involved as quickly as my schedule  
5 permits.

6 To the extent you don't need me to get involved  
7 because you've drafted the settlement agreement which  
8 hopefully will be done in the next two weeks and the parties  
9 have executed it, that settlement agreement does not need to  
10 be filed with the Court. Of course if, and I certainly hope  
11 for both side's sake this doesn't come to pass, but if there  
12 is an allegation of breach of the settlement agreement that  
13 settlement agreement would then have to be filed in court for  
14 an appropriate application from the Court.

15 I believe that those are the material terms of the  
16 settlement agreement. Let me ask Mr. Campson. Is there any  
17 material term that I'm omitting?

18 MR. CAMPSON: No, Your Honor. Thank you.

19 THE COURT: Mr. Joslin, is there any material term  
20 that I'm omitting?
